We the Seniors of 1980

dedicate this annual to Mr. Haddix. For all the years he has been at Barneston High School. We would like to thank him for all the hard work he has done and all he has put up with to help us with the Proms, the chicken barbeques, the math classes, selling candy bars, and everything else. We will always remember Mr. Haddix in our future years and the great help he has been to us. Thank you Mr. Haddix.

We, the Senior Class of 1980, do hereby state this as our last will and statement.

We, the Seniors, will to the Freshmen our athletic ability and our brains.

To the Sophomores our ability to be the biggest partiers without getting caught and a Websters dictionary so they can learn something other than four letter words.

To the Juniors our ability to stretch two college days into five, and the ability to find Prom dates three weeks in advance instead of four days before, Prom.

To the teachers some typing girls since all of us are graduating. And another all-around, heavenly-made, great Senior Class.

To Mr. Gould in particular a dual set of Oxygen Tanks for his class room next year.

Class Prophecy

The 10th Class Reunion of the class of 1980 is being held at the Bothwell Mansion formerly the old legion.

First to arrive is Diane Weyer, early as usual. She tells us there was rumor of there being a dance tonight and she has come early to take her salt tablets and to tape her ankles. Diane is now a singing actress in the new "Torn Between 2 Lovers".

Here comes Diane's cousin Dale, he says that his new rock group the B-J's will be playing tonight and performing their new hit single "Nothing Could Be Finer."

Kevin Lineweber should be rolling in shortly, we've heard he's a newly employed stunt man and owns the ice house wine cocktail company.

We are sorry to find out that Teresa March will not be able to be with us tonight, she is living in Indiaonesia with the King and is the first woman to own a himum, so Solomon says.

Jogging in we see Larry Husa he says he's just arrived from the special Olympics, Larry is also owner and president of the chain of seafood restaurants "Captain Hook." Larry says his wife Diane is home with the sheep.

Here comes little Sarah or is that Sarah Little? After several years of art school Sarah is now a world famous sculptor. We aren't quite sure what some of her masterpieces are, but she assures us they are quite realistic.

Foo Foo Nickeson just flew in from California in her new otter coat and she tells us it was a real hassle getting here because she was just getting out of court where she was getting her divorce final. She tells us her ex-husband Neil Young was okay until he turned disco last month.

Here comes Paul and Shelly, but they inform us they can only stay a minute because mom and dad are gone.

Here is Gene and Karen just arriving from L.A. where he's been playing POKER, we hear him boasting, "When the chips are down I always come through."

Pete Leseberg has arrived on time because she can't afford to be late in her business. She had found her life long ambition of being a chauffer for the Totes Boys.

Driving up we see a luxury van and we see it is Governor Ski Stone. He is a very busy man for he also manages Nelly's Disco.

Here comes Janice with a bundle in her hands when asked what it is she says she and her husband are donating the meal tonight from their store J & G's meat Market.

Here comes Cindy Robertson, we hardly recognize her in her wrestling suit. She has just won the Heavy Weight Tital of the World, she says she owns it all to her coaching and frosted flakes. We here her say they're GGGGRRRRRREEEEEEAAAAAATTTTT!!!

Mr. Anton's will not be able to make it tonight, he is home recovering from a nervous breakdown after the graduation of the class of 1982. It is said that he is still waiting at home for some of the term papers to be turned in.

"Poem to the Seniors"

May the word of God direct you
To do the things you should—
To live your life unselfishly
And know and choose the good.
And may the richest blessings,
That Heaven can bestow,
Be with you now and always.
No matter where you go.

"The Future is Ours,

for we are the Future."

The Seniors of 1980 sang "Thy Will Be Done" on graduation day.

"We realize that it isn't our will, but God's will for what the future holds for each of us. We will each try our hardest to make our will our very own . . . because the Future is Ours, for We are the Future!"
